

Remakes

The world of cinema, including the greatest films of all time and the legendary tales, has always been present in our day-day lives. We've, all of us, at one stage or another, wanted to put ourselves in the shoes of Darth Vader, Indiana Jones or of course, the celebrated hero, James Bond. In this particular team event, the participants will carry out an outstanding cinematographic project from the beginning to the end.

The participants, divided into teams, will form their own production companies. Each choosing their own film type, whether it be legendary romance, a classic tale or a completely new script, the team will use their own theatre sets, make-up, clapperboards, megaphones etc. to carry out a short production for the big screen.

The film will be recorded using straightforward, modern digital-cameras which are compatible with YouTube®.

The scripts, screen plays, stage-design, the recording prowess, the characters, and of course the dramatic intensity of the actors will be, among others, the main factors that lead to the success of this event. "Remakes" rewards participants for their creativity and originality, in order to inspire confidence and to encourage the interaction of all team members.

The most waited for and enjoyable moment of this event will be, without a doubt, the final film viewing. Uno+Uno Team will prepare an original mini cinema including the big screen, professional surround sound, and there'll even be popcorn!

During the glamorous prize-giving ceremony, Oscars will be awarded for different categories: Best Film, Best Actress, Best Actor, Best Sound-track, Best Stage-design, Best Technical Team, and Best Screenplay.

Each production team will leave the event at the end of the day with their very own film which they themselves have skillfully produced.

"Remakes" is a creative and entertaining team-building event which can take place in any chosen location. Its versatility allows the event to be ideal for both indoors or out, and means that it can also be adapted to suit either small or larger groups.

Step onto the big screen with your colleagues by participating in an Oscar-winning event!
